License key, serial, crack, keygen or hack for .So. So. So. It was early last year when I came across a box of Viva Creates stickers at a local thrift store. It was about 6 months into me being sober. I couldn't believe it. Viva Creates was one of the first AB/CD/PGA songbooks I ever owned. It's held a special place in my heart ever since. I bought it on a whim, thinking it'd be a good project to do at the start of my 2013 sobriety year. And it was. They were just inside the box, all dirty and covered in dust from sitting in the back of a closet for more than a decade. Time for a new look! I'm bringing this a little late. It's more of a visual I've made in the past. But I'm proud of how this turned out. I spent more time editing the pics and less time on the illustrations. There's a lot of frustration in drawing comics. But I think it looks pretty great. It took me some time to find Viva Creates. I'm talking about 5 months. I'm not sure if the box store where I found it kept it. But when I got it home, the thing was just stuffed with stickers. I had no idea what to do with this lot of stickers. So after getting some more stickers and some razors at Walmart, I created my own mini sticker book. Maybe Viva Creates will print a book soon. Maybe it's a
